

Why not take the opportunity to stay overnight on a beautiful desert island. With its large lagoon and lush vegetation, Lonubo is the perfect island for a Robinson Crusoe-like getaway with its white sandy beaches, excellent snorkelling on the house reef, fiery sunsets and breathtaking sunrises for the early birds.

We have a Jacuzzi Beach Villa hidden amongst the tropical trees that offer all the luxury of the resort yet the simplicity of a virgin island. You can relax in your Jacuzzi while enjoying the magnificent views. Take a shower under the stars in the traditional outdoor shower before retiring for the night. The Lonubo Beach Villa features Air Conditioning, Cable TV, Sound System with iPod docking, Mobile Phone for communication, Minibar, outdoor bathroom with hot and cold running water, shower and a sun deck with chairs and tables.

When you book a Lonubo Getaway, we will deliver you to the island at 16:30hrs, and leave you to enjoy the last few hours of daylight to enjoy snorkelling and swimming at leisure. You can watch the sun as it sets over the Indian Ocean.

There are three packages available designed to cater to your desires. Each package is based on two adults sharing one villa; a bottle of sparkling wine, a fruit basket, a sparkling wine in-villa breakfast the next day, transfers and accommodation are included in the package of your choice.
